

Reflections by Dr Lyndon Bouah - Cape Town Heritage Chess Festival

The Cape Town Heritage Elite section started on Monday 20 March at Ellerton school in Sea Point. The field was a star studded one with former champions of South Africa, Olympians and current champions all participating.

In round one FM Charles De Villers scored a good victory against Mark Rubery who last played in Cape Town in 2007. The game looked like a Kings Indian. I encourage players to play through this game.

Dr Deon Solomons and FM Calvin Klaasen played to a draw. The 1992 Olympiad board one played

against the 2016 Olympian Debutant.

IM Watu Kobese played a good game to beat FM Paul Gluckman. The old master showing the youngster!

Dr Shabier Bhawoodien beat Keegan Agulhas in a nice game. Dr Shabs took revenge on his earlier defeat this month at the hands of the talented youngster.

The event continues today Tuesday 21 March with two rounds and then finishes this weekend with the last four rounds.

Check the WP website for the details and playing venue.

Regards.

Dr Lyndon Bouah
