

Reflections by Dr Advocate Lyndon Bouah - Doctors in the house

The Chess Western Province league brings together players and clubs from all communities in the Western Cape. We have players who have travelled from as far afield as George (George Loverlot) to Paarl the Drakenstein Dragons.

We also have noted a fair number of doctors in the house.

Playing for Cape Town is Professor Leslie London.

Playing for Stellenbosch is Dr Andrew Southey.

Playing board one for Stellenbosch is Dr Stefan Wagner.

Playing for Stellenbosch B is Professor Cruywagen who enjoys his chess.

In the Manyanani team we spotted Dr Shabier Bhawoodien.

In the Manyanani B team I saw Dr Omar Esau fighting valiantly!

In the Bellville team I saw my old friend Dr Eustace Moses.

At Blackjacks competing in the B section we have Dr Simphiwe Baloyi who leads the team on board one.

In the Grassy Park team we have Dr Rashied Begg.

And finally in Steinitz we have:

On board one Dr Lyndon Bough

On board two Dr Deon Solomons

On board seven we have Dr Denise Frick

Enjoy watching these played in action who all contributes to their teams in immense ways!

Regards
Lyndon Bouah
